EVAN WECKSELL

Comedian and Singer-Songwriter Evan Wecksell is one of the funniest and most energetic performers to emerge from New York's comedy clubs and musical venues. Often compared to comedic superstars Adam Sandler and Stephen Lynch, Evan's act is a blend of comedy and music that celebrates the college experience, endorses unorthodox relationships, and makes fun of bad music. His comedy has been played on radio stations all over the world including Sirius Satellite Radio and the nationally syndicated Dr. Demento Radio Show. Evan has also appeared on such pop-culture shows as VH1's "I Love the 80s" and E! Television's "30 Most Outrageous Celebrity Feuds." A favorite at clubs and colleges across the country, Evan is a young veteran who performs over 100 shows every year!
