COLLEGE THE MUSICAL: A MUSICAL ABOUT COLLEGE

Cast

Kelly Meyersfield
(Amy, Ray, Jennifer)

Evan Wecksell
(Julius, Kerry, Ray)

Who's Who

This is the third show **Kelly** has written and produced. It is by far the best because it is musical and she is doing it with Evan. Kelly's other favorite shows have included her one-woman show 'There Will Never Be Enough Pizza' and 'I Love You, You're Perfect, Now Change.' Kelly thanks Lynsey for her sheer brilliance, Amanda and Aaron for workin' it, her mom and dad for heeding the call, Eric because he helped her to learn the funny, the Wecksell and countless others. Most of all thanks to Bear, without whom half of this wouldn't have been possible. No wait, all of it.

While **Evan** enjoys touring colleges and clubs as a guitar comedian and talking about celebrities five seconds at a time on VH1 and E! Television, nothing compared to producing this show. Evan wants to save room in the program so please see the 'Special Thanks' section below. But he would like to thank Kelly for setting the deadlines, finishing the script and tolerating his chronic retardation that his family has come to know so well. Bon Jovi Rules!
